

REMARKS

This application has been reviewed in light of the Notice of Non-Compliant Amendment dated May 28, 2008. In response to such Notice, Applicants have labeled Claims 25 and 45 as "Canceled" per Applicants' request for their cancellation, below. Claim 70 has been added, which is identical to previously canceled Claim 40. Applicants submit that Claim 40, and now Claim 70, correspond to Claim 8, which Applicants have submitted to be generic. Accordingly, Applicants respectfully assert that Claim 70 should be examined. Finally, the Notice indicates that Applicants' prior reference to a further restriction of sub-sub-sub species "a" and "b" is self-imposed by Applicants. Applicants do not concede that such further restriction is self-imposed, and Applicants respectfully submit that if such further restriction is not being required by the Examiner, Applicants will neglect such further restriction. Accordingly, pursuant to the above amendments and remarks, and pursuant to Applicants' responses dated 2/18/08 and 11/16/07, Applicants hereby elect Species VI, sub-species B, sub-sub species 1, which, in total, is submitted to include Claims 1-5, 8-19, 21-23, 26-32, 35-38, 41, 46-55, 57-64, and 66-70, including both generic and species-specific claims. If the following claims have not yet been canceled by the Examiner, please cancel Claims 6, 7, 20, 24, 25, 33, 34, 39, 40, 42-45, 56, and 65.

It is respectfully submitted, therefore, that in view of the above amendments and remarks, that this application is now in condition for allowance, prompt notice of which is earnestly solicited.

Respectfully submitted,
